Complain :	DVR getting restart				
Technician Comment :	DVR getting restart due to hard disk getting abnormal when hard disk check in key area detection last two lines showing two red points. DVR now working ok not getting restart One camera issue also solved Camera location at office counter near weight machine. Hard disk under observation.				
Complain Operator :	Desktop - Apurva Vajaria				
Remark :	DVR getting restart due to hard disk getting abnormal when hard disk check in key area detection last two lines showing two red points. DVR now working ok not getting restart One camera issue also solved Camera location at office counter near weight machine. Hard disk under observation.
