

Recreation Vehicle

- **Credentials:**

- Domain: dev.ridemarketing.net
- Unm: vishal@mukesoft.com
- Pwd: Muke@Ride123

- **Development/UAT Links:**

- Ride Frontend URL: <https://dev.ridemarketing.net/>
- Ride Admin: <https://dev.ride.technology/>

- **Github Credentials:**

- username: vishalmuke
- email: vishal@mukesoft.com
- password: Vishal@123\$#99

- **Notes:**

- Use Github desktop for get coding for Rv
- .htaccess file is very important for access the theride.com site in server
- You need to update module/.../.htaccess file in every folder of module to setup the project
